## Susquehanna Workforce Network and Maryland Department of Labor Host Virtual Hiring Event

**Havre de Grace, MD** — While unemployment is easing in Cecil and Harford Counties, there still are thousands of residents in the Susquehanna region looking for work. These job seekers will have the opportunity to meet online with several of the area's leading employers in a Virtual Hiring Event, from 10 to 11:30 a.m. on Thursday, February 25. Sponsored by the Susquehanna Workforce Network (SWN) and the Maryland Department of Labor, the online event will enable job seekers to meet employers and learn more about their job openings.

To limit the spread of COVID-19, SWN and the Maryland Department of Labor are working remotely but continue to serve the needs of the community through online events such as this. Residents of Cecil and Harford Counties who attend the virtual hiring event, hosted on Zoom, will be learn about the companies participating and the requirements needed for the open positions.
